Pentecost Sunday

Every year, Holy Name Cathedral in Chicago offers a special Mass for couples who are celebrating their fiftieth anniversary. On the occasion of my in-laws' fiftieth, there were so many couples celebrating that family and friends were forced to watch the Mass from an adjoining building! The term Pentecost literally means "fiftieth" and was celebrated as a feast on the fiftieth day following Passover in the time of Jesus. Today, of course, we know and celebrate Pentecost as the birthday of the church, when the disciples were unified by the Holy Spirit and empowered as one to bring the Word to the world.

The final act of the New Covenant is the gift of the Holy Spirit, who is described as "Advocate" and "Spirit of truth." Jesus tells us in today's Gospel reading from John that all that God has given him will now be given to us. In this sense, the truth that we are given is the one truth which cannot be denied, and that is that the only path to the kingdom of heaven and the saving grace of our Lord is through true, unfaltering belief and love in Jesus Christ. And that truth is not to be kept to ourselves but joyfully shared with others without fear or doubt. It is up to us.

On the day of Pentecost, the church was given to the world through the power and presence of the Holy Spirit. "The gift of the Spirit ushers in a new era in the 'dispensation of the mystery,' the age of the Church, during which Christ manifests, makes present, and communicates his work of salvation through the liturgy of his Church" (CCC 1076). From a tiny spark 2,000 years ago, the church has blazed forth like a raging fire throughout the world. Each and every one of us who believes has been given a part in this celebration, a gift we cannot deny.

A Family Perspective

By Bud Ozar

Today, on Pentecost, we remember Christ gave us the Holy Spirit to assist us in raising our family and He expects us to use this gift. Let's turn off the distractions and tune into the Holy Spirit who "will guide us to the truth." Let us "testify" to our children that true happiness is found in service, forgiveness and love for one another.

Stewardship Thought

In today's second reading, St. Paul reminds us that all of our gifts have their source in the Holy Spirit and that those gifts are given "for the common good." That gifts are mine to share?

Natural Family Planning Class
